Date: February 3-4, 2016

Nature of Activity: web Dev and PC setup

I was tasked to code 3 to 4 design variations for the Digiscribe web site to ensure we have options for approval. I also helped set up a new batch of PC from Orange PC.

Task / Assignment Received From
Mr. Jeff

Remarks / Signature

Date: February 5, 2016

Nature of Activity: Project Approval and Planning

I was tasked to submit our designs to Ma'am Eds for approval and apply her revisions. We also created a project timeline for Ma'am Gerlie to monitor our progress.

Task / Assignment Received From

Ma'am Gerlie: Demonstrated excellent teamwork by actively engaging in group discussions and offering

Remarks / Signature: Constructive suggestions. *Gi*

Date: February 6, 2016

Nature of Activity: Maintenance and Brainstorming

I was tasked to help Sir Jeff inspect the broken generator on the rooftop. I also joined the brainstorming session to plan the difficult Vicmar Homes project.

Task / Assignment Received From

Sir Jeff and Ma'am Gerlie

**B. Knowledge / skills gained and or Difficulties Encountered for the Period:**

This week I learned how to supervise trainees by giving their hardware exams. I improved my coding skills by creating multiple designs options for the Digiscube website. I also learned how to handle professional feedback and revisions from my supervisors. Finally, I practiced project management by making timelines and brainstorming for the Vicmar Homes project.
